THE TIME FOR IT HAS ARRIVED.

To us it seems but a few weeks ago that we were clearing stocks of all Piazza and Reed Furniture preparatory for the winter season. But it was months ago—further proof that time does fly. Now we tell you of the splendid new things in easy and restful pieces of Veranda Furniture for those days when mother nature tempts one to imbibe the outdoor air.

The Veranda is an index to the interior of the house. You can always tell a neatly furnished house by the exterior. We are showing some decided novelties in the way of Three-Piece Suits for the Veranda. They can be seen in our windows today, together with Porch Shades, Swings, Rugs, odd Rockers, Chairs, etc., all the very latest creations for the outside of the house.
